## 2025 Stewardship Campaign

lake harriet  
UNITED METHODIST CHURCH

new duct work and  
sprinkler systems!

# Making modern facilities a reality

**Walking together in the congregation**  
You did it! Your generous pledges of \$413,000 helped make it possible to remodel the education wing. Together, we've created a safe and hospitable space for the Lake Harriet United Methodist Preschool; now welcoming infants through five-year-olds. The preschool is fully enrolled, with a waiting list! Thanks to you, we're also progressing toward our goal of 25% of student enrollment for families receiving scholarships.

We were also able to remodel the main church kitchen, including the walls, flooring, ceilings, sinks, and fire suppression system. We now have a fully licensed commercial kitchen. We couldn't have done it without your support!

Grace and peace,  
*Pastor Karen Chatfield Bruins*

# Campaign Goals

## Operating budget:

**Addressing vital needs**  
Your faithful support of the 2025 operating budget will cover ministry program expenses, staffing, building maintenance, and utilities (with rising costs just like your household). The building is in constant use by the church, and community. With more people comes more maintenance, cleaning, and refreshing needed.

Some immediate needs include new flooring for the offices, Reception Room, and Fireside Rooms. Please prayerfully consider increasing your pledge by 5%, or take the first step of pledging if you've not done so already. Every person, every gift and every pledge helps maintain a safe, welcoming space to meet the needs of our church and community.

## Supporting our spotlight ministry

Through Every Meal, Lake Harriet United Methodist provides weekend meals for 40 students in need from Lyndale Elementary School. The cost per child is \$368 for the 2024-2025 school year. Lake Harriet is committed to giving \$12,600 to this special cause. A dedicated pledge from you of \$31.00 a month will help feed hungry children in our community.

Your generous gift to the 2025 Operating Fund & Every Meal will make these ministry priorities successful.
